Supply of Blood in Tribal Areas

3975. KUMARI SUSHILA TIRIA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what facilities Government propose to provide to ensure supply of clean blood to patients in tribal areas in the country;

(b) whether such facilities are available in urban areas only; and

(c) what measures are being taken to reduce this disparity?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) to (c) During the Seventh Five Year Plan, the Government is implementing a scheme for Development and Modernisation of blood banking and Blood Transfusion Services with the following objectives:—

(i) Improvement in the existing blood banks from district level and upto National Blood Transfusion services.

(ii) Development of trained manpower.

(iii) Maximum utilisation of available blood by plasma fractionation.

(iv) Incentives to voluntary organisations involved in voluntary blood donation programme.

All parts of the country including tribal and rural areas are expected to benefit from this scheme.
